

Initial Tutoring Session Questionnaire

In order for our tutor to tailor the session to meet your needs it is important for them to get to know you and your history. Please answer the following questions and send this form to your assigned tutor.

Please note: This information will be kept confidential.

1. Is this the first time you are taking this class?
2. Do you have trouble taking notes? If yes, please explain your concerns:
3. Do you have trouble completing assignments?
4. Do you have trouble taking tests? If yes, please explain your trouble with tests:
5. Please explain how you prepare for tests:
6. Have you spoken with your professor? What was the outcome?
7. Do you have a diagnosed learning disability, ADD/ADHD, or any other disability that your tutor should be aware of in order to tailor the tutoring session to meet your learning style? If so, please explain. Also, please do not provide this information in front of a group. Make sure to bring this to your tutor after the session to protect your rights to confidentiality.
8. What are your specific concerns for this course?
9. What do you hope to achieve through tutoring?
